## Novena of the Assumption

God, our Father, Creator of heaven and earth,  
we want to help you make new  
to beautify humanity.  
Glory to you for the wonders of our earth.

Jesus, our Savior, you associate us  
with your project to heal all illnesses and wounds.  
Help us to care for all that is damaged and in  
danger.  
Blessed are you for your calls.

Spirit, energy of communion and mission,  
how will we work with you  
to transform this world into a new heaven and a  
new earth?  
Praise you for your inspirations.

Mary, our Lady of the Assumption, with you,  
we walk as pilgrims of hope.  
Help us to become peacemakers,  
signs of compassion.  
Thank you for your visits throughout our history.
